## FARMER THREATENED

Fred Adams and Wife Notified to  
Pool Their Tobacco or Take  
the Consequences

Here is what discredits the tobacco pooling proposition:

The following notice was placed on the doorstep of Mr. and Mrs. Fred Adams of Jersey Ridge last Friday night:

"Fred Adams and Wife: We give you just (5) five days to sign up your tobacco to the Mason County Board of Control, or one of its solicitors, and if, at the end of the time we have fixed, you have not done as ordered, you will have to suffer the consequences.

Signed, BRACKEN COUNTY NIGHT RIDER."

The note was brought to The Ledger office and was evidently written by an educated person, although in a disguised hand.

Mr. and Mrs. Adams are industrious, but poor people who own a small farm a few miles West of Maysville. They and their tenant have a nice crop of about 17,000 pounds of tobacco which the Adams' did not wish to pool, because, they say, it will require such a long time before they can get all their money out of the crop. Therefore they prefer to remain out of the pool and sell to whom they please and when they please and get the cash all in a bunch this winter.

No one deplures this unfortunate condition of affairs more than THE PUBLIC LEDGER, and,

while we believe The Burley Society, as a body, has no hand in or knowledge of such outrages, yet it profits by and through them, as it is this un-American spirit of intimidation that forces the would-be independent grower to join in the pool "or suffer the consequences."

At the last State Convention of the Knights of Columbus, John T. Donovan, Worthy State Deputy, was empowered to appoint a committee to draft a bill and urge its adoption by the Kentucky Legislature, making Columbus Day, October 12th, a legal holiday in Kentucky. CONGRESS removes the duty from crude and refined oil and two or three weeks later the Oil Trust reduces the price which it will pay for crude oil. This hits the owners of oil lands, and they are beginning to utter lamentations. It looks just now as though one of the chief results of a Tariff revision which was expected to accomplish something for the consumer was to save expense to the biggest Trust in the country.

## WELCOME WORDS TO WOMEN

Women who suffer with disorders peculiar to their sex should write to Dr. Pierce and receive free the advice of a physician of over 40 years' experience—a skilled and successful specialist in the diseases of women. Every letter of this sort has the most careful consideration and is regarded as sacredly confidential. Many sensitively modest women write fully to Dr. Pierce what they would shrink from telling to their local physician. The local physician is pretty sure to say that he cannot do anything without "an examination." Dr. Pierce holds that these distasteful examinations are generally needless, and that no woman, except in rare cases, should submit to them.

Dr. Pierce's treatment will cure you right in the privacy of your own home. His "Favorite Prescription" has cured hundreds of thousands, some of them the worst of cases.

It is the only medicine of its kind that is the product of a regularly graduated physician. The only one good enough that its makers dare to print its every ingredient on its outside wrapper. There's no secrecy. It will bear examination. No alcohol and no habit-forming drugs are found in it. Some unscrupulous medicine dealers may offer you a substitute. Don't take it. Don't trifle with your health. Write to World's Dispensary Medical Association, Dr. R. V. Pierce, President, Buffalo, N. Y.—take the advice received and be well.

HUDSON-FULTON celebration as described by a New Yorker: "It was like Old Home Week in Hades!"—Boston Transcript.

THINGS look different, sometimes, to the engineer at the throttle than they do to the Professor in his University chair or to the Editor in his sanctum. Government is a compromise, and we must try to get the best we can out of it. In other words, we must play the game. The man who is in popular government must take what the popular government gives him until he can teach the people a better way. If they will not go where he would lead them, then he must play ball with them and follow them.—President Taft.

## MILITARY PIETY.

### Success Magazine.

During the Civil War the late Colonel Gabe Bouck organized a regiment which he controlled as a dictator.

"I am a humble servant of the Lord," said an itinerant evangelist who had wandered into camp one day, "endeavoring to save the souls of the unfortunate. I have just left the camp of the —th Massachusetts, where I was instrumental in leading eight men into the paths of righteousness."

"Adjutant," thundered Colonel Bouck, after a moment's pause, "detail ten men for baptism. No d—d Massachusetts Regiment shall beat mine for piety."

## Free Child's Remedy

What mother is not looking for something that will help her children in the little ills of life, something for the stomach trouble and the bowel trouble? Long ago she probably has become convinced that a child cannot readily swallow a pill or a tablet, and that to "break them in half and crush them" is an annoyance; that usually they work too drastically, and are nauseating and too powerful for the little one's stomach.

Any mother who will take the trouble of sending her name and address can obtain a free sample bottle of a remedy that thousands of other mothers are using and now paying for. This remedy is Dr. Caldwell's Syrup Pepsin, and the offer of a free trial bottle is open to any mother who has not yet used it. Having used it and convinced yourself that it is what you want, you can obtain it in the future of your druggist at fifty cents and one dollar a bottle. Just as so many others are doing, the free sample being simply to convince you of its merits. It is the best way to begin on it. Mrs. L. Davis of 187 W. Harrison street, Chicago, and Mrs. Mary Belford, 1710 Lake street, Louisville, Ky., both started with a free sample and now they write that they have never been without a bottle in the house since.

It is undoubtedly a great family remedy, as it is adapted to all ages, being mild and pleasant to take and yet thoroughly effective. It is especially the ideal remedy for children and women and old folks, who need something pure, mild and natural. It has the advantage of being a thorough laxative and yet contains tonic properties. Use it for the most stubborn constipation, indigestion, liver trouble, sick headache, sour stomach and such complaints with a guarantee that it will cure.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. I explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R. 507 Caldwell building, Monticello, Ill.

**What Dr. Nott Stated: I Can, Only in a Few Cases, Grow Hair on a Bald Head, But I Can Always Save What You Have, and I Never Failed to Restore Gray Hair to the Vigor and Color of Youth.**

The most beautiful face appears plain indeed if not crowned with a head of luxuriant hair. One of the greatest charms of a beautiful woman is her hair; no woman can be said to be a specimen of feminine beauty who has short, thin, straggly hair. When we speak of a Delilah, we call to mind the image of some fascinating circle with long, wavy, luxuriant tresses. Falling hair as well as gray hair rings the death knell of feminine charm, beauty and vigor.

Q-Ban Hair Restorer will make gray-haired people look youthful, and after it has done its work no barber, physician or specialist can perceive the work of art or medication. No woman need be without a luxuriant head of hair if she can obtain Q-Ban Hair Tonic. Falling hair it corrects after one or two applications and it increases the strength, length, vigor and thickness of the hair.

Any druggist will assert, that if six bottles of Q-Ban Hair Restorer does not change gray hairs to a youthful color, and that if both the Restorer and Tonic do not arrest falling hair, cure dandruff, etc., that your money will be refunded if you have used up to the sixth bottle. You know your druggist—ask him.

"J. Jas. Wood & Son recommend and sell these preparations. If you are gray haired or your hair is commencing to fade you can have the first full size 50c bottle by sending 12c in postage to the Hessig-Ellis Drug Co., Memphis, Tennessee."

#### SPILLMAN RIGGS

**Captures Big Audience at Opening Number of High School Lecture Course**

The lecture of Mr. Spillman Riggs on "Musical Fits and Misfits," as the opening number of the Maysville High School Lecture course, last night at the Auditorium was attended by a splendid audience, whose applauding approval of the gifted lecturer's many outbursts of eloquence and wit was pronounced and unanimous. It was most gratifying to hear from Prof. Bradner, who introduced the speaker, that the first High School Lecture course is already a most pleasing success from a financial standpoint, as the receipts are now sufficient to pay all the expenses of the entire series of entertainments this fall and winter. This report reflects credit upon Prof. Bradner and the Board of Education, whose untiring work and attention have placed education in Maysville upon such a high plane of modern efficiency. We see the fruits of well-spent money and labor in our new schools and in this most brilliant series of entertainments just starting. As to Mr. Riggs, who is a Kentuckian and exhibits a most charming personality and delivery, we have only words of the highest praise.

He is not only an orator, but a finished musician, and his inimitable illustrations of "Musical Fits and Misfits" were as amusing as they were natural and true to life. Mr. Riggs surely knows how to hold the mirror up to nature and his lecture was so timely in the handling and the treatment of sequences, and his mingling of pathos and humor so well done, that the appreciation of his audience was vociferous and prolonged in its applause. Would we had the space to review at length the logic and philosophy of Mr. Riggs' pleasing lecture, which he has delivered 1,200 times. His portrayal of the music accompanying "Old Time Religion" and his satire on the modern Church choir and its hifalutin music, was quite the best thing we ever heard.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by P. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, P. J. **Advice to Women**  
A Message From a Famous Beauty Specialist to Women Lacking in Energy and Vitality.

Thousands of women vainly attempt to improve their complexions and to remove blackheads, crows' feet and other blemishes, through the use of cosmetics. This treatment fails because the trouble lies far deeper than the skin. They are suffering from impure and impoverished blood. This condition is in many cases due to a catarrhal condition of the whole system, which finds its expression in sallow, muddy complexion, dark circled eyes, general weakness of the system, and perhaps most plainly in the weeping of mucous membranes that is commonly called catarrh.

In fact this whole tendency is, properly speaking, Catarrh. Banish this catarrh, and the complexion will clear as if by magic, eyes will brighten, faces become rosy and shoulders erect. Perfect beauty goes only with perfect health, and perfect health for women can only be obtained through one certain treatment—that which will cure catarrh.

Mme. Swift, New York, the famous beauty specialist known throughout the world and an accepted authority on all relating thereto, states that the one positive and permanent relief for catarrh is Rexall Mucu-Tone. Here is her letter:

"I can strongly endorse the claims made for Rexall Mucu-Tone as a cure for systematic catarrh. Its tonic effects are remarkable. It builds up the strength and restores vitality. If women who are tired and run down, lacking in energy and vitality, will use Rexall Mucu-Tone, they will praise as I do its strengthening and healing qualities."

Rexall Mucu-Tone works through the blood, acting thus upon the mucous cells—the congestion and inflammation of which causes local catarrh. This remedy causes poison to be expelled from the system, and the blood is purified and revitalized. Thus the natural functions of the mucous cells are restored, and the membranes are cleansed and made strong. I know that Rexall Mucu-Tone does relieve catarrh. I positively guarantee to refund the money paid me for this remedy in every case where the user is dissatisfied. It is a builder of vigorous health and a creator of good complexions. Price 50 cents and \$1 per bottle. Mail orders filled. It may be obtained only at my store—The Rexall Store. Thos. J. Chenoweth.

#### Monuments: Murray & Thomas.

Former Congressman H. F. Finley, for many years a leader in the Republican party in this State, died at his home at Williamsburg Sunday. He was 77 years of age and the father of Charley Finley, recently of Indianapolis, Secretary of State of Kentucky from 1895 to 1899.

#### MRS. JULIA LEE NELSON.

There is no death. What seems so is transition. For when to earth we close our mortal eyes We shall attain unto the sweet fruition Of God's own home beyond the skies.

Another dear friend is called to pass into the Great Beyond to meet the loved ones long gone before, where there will be no more partings and no more tears, for God will wipe them all away. Mrs. Julia Lee Nelson was born on the 18th of February, 1836; died October 18th, 1909. She had been a consistent Christian and member of the Presbyterian Church since her girlhood.

She was modest and unassuming and ever ready to do good when opportunity offered, or when it did not, would seek it. She belonged to the old type of aristocracy. Her mother was Susanna, daughter of General Henry Lee and Mary Young. Her father was John Anderson, a member of an old and well-known family. She was the last of her race, with the exception of a half sister, Mrs. Stockton Lane of Brooklyn. She had made her home, after the death of her sister, the late Mrs. George Wood, with her niece, Mrs. Robert Owens, where she had won many friends, who, with her relatives, mourn her loss most sincerely. Although she had been quite ill, her death was very sudden and a great shock to her friends. Her husband, William Nelson, preceded her to the grave many years ago. "She so lived that when the summons came to take her chamber in the silent halls of death, lay down like one who wraps the drapery of his couch about him, and lies down to pleasant dreams." The funeral will be held at the residence of Mr. Owens. Services by Rev. W. W. Akers. Burial private.

**Is the East End Improvement—Property Owners Refuse Generous Proposition**

The "Nothing Doing" sign was conspicuous at the adjourned meeting of the East End property owners assembled in the Council Chamber yesterday afternoon for the purpose of discussing the propriety of straightening the pavement line in that part of the city.

The meeting was presided over by Mayor Stallcup, who laid before the gentlemen interested a drawing prepared by City Engineer Walker, showing the difference between the old and proposed new line, in order that there might not be any misunderstanding in the matter.

In explanation as to the attitude of Council City Attorney James M. Collins stated that in the event of the property owners permitting the sidewalk to be constructed on the proposed line—which would require that they give about 5 1/2 feet, longitudinally, of ground—that the city would pay 25% of the costs of the new walks and all the additional costs of grading, etc., and that the city would pay for the entire new walk of those who have already constructed their cement pavements on grade given by City Engineer.

The Mayor stated that he felt assured that Council would ratify the action of the meeting if the proposition was acceptable to those concerned.

With the exception of one or two property owners—who were in accord with the spirit of improvement—the proposition was unceremoniously turned down.

**From Maysville Backs—Relief Proved By Lapse of Time.**

Backache is a heavy burden; Nervousness wears one out; Rheumatic pain; urinary ills; All are kidney burdens—Daily effects of kidney weakness. No use to cure the symptoms; Relief is but temporary if the cause remains. Cure the kidneys and you cure the cause. Relief comes quickly—comes to stay. Doan's Kidney Pills cure kidney ills. Prove it by your neighbor's case. Here's Maysville testimony: The story of a permanent cure: William H. Paul, 333 East Third street, Maysville, Ky., says: "For two years I had pains in my back and other troubles, caused by disordered kidneys. When Doan's Kidney Pills were brought to my attention I began their use and they soon brought me relief. I cheerfully indorse this remedy as one that lives up to the claims made for it."

The above statement was given on December 13th, 1904, and on February 6th, 1908, Mr. Paul added:

"My opinion of Doan's Kidney Pills has not changed since I first recommended them. My cure has been lasting and I am now in good health."

SCIENCE PREVENTS BALDNESS.

The Fatal Germ and Its Remedy Now  
Facts of Science.

It is the rarest thing in the world for  
a man to be necessarily bald. No man  
whose hair is not dead at the roots, need  
be bald if he will use Newbro's Herpi-  
cide, the new scalp antiseptic. Herpi-  
cide destroys the germ that cuts the hair  
off at the root; and cleans the scalp of  
dandruff and leaves it in a perfectly  
healthy condition. Mr. Mannett, in the  
Maryland Block, Butte, Mont., was en-  
tirely bald. In less than a month Herpi-  
cide had removed the enemies of hair  
growth, and nature did its work by cov-  
ering his head with thick hair an inch  
long, and in six weeks he had a normal  
suit of hair. Sold by leading druggists.
